Summer Camp Policy

Cancelation Policy

- First, we would like to encourage you to simply move to another session so your child can have the experience of our camps. However, we understand that things come up and you may need to cancel all together. To do so, please call or email us with this information. To receive a refund, all cancelations must be made 1 week prior to start of camp session.

Our Staff

- Trained adult(s) will direct the adventures at all times.

Late Pick Up

- In fairness to our staff, please be on time to pick up your child from camp. If there is an emergency and you know you will be late, please contact the Camp Director by phone (912-223.7133).

Emergency Information

If a medical emergency arises, our procedures involving emergency situations are as follows:

- Parents/Guardians will be notified of the injury if it requires emergency medical treatment. If they cannot be reached, we will contact emergency contacts on registration forms.
- If no one can be reached or a decision must be made before we can contact someone, we will take the necessary actions for the health of your child.
- If it is necessary, a personal vehicle will be available to transport any injured person to the emergency room of the closest hospital. Staff will remain with the camper, when possible, until a parent or guardian arrives.
- Parents who are planning to be out of town for a day or longer must notify the Camp Director and provide a local contact for emergency purposes.
- Make sure your registration form is updated with current emergency phone numbers and authorized pick-up persons.

Illness and Injury

- Our staff will treat minor injuries (small cuts, scrapes, bumps, etc.)
- Our staff will contact parents if their camper becomes ill while at camp. Sick campers will be sent home at the discretion of camp staff. Parents are responsible for picking up their child immediately.
- Please do not send your child to camp if he/she is showing signs of head lice. Campers may return after 24 hours of effective treatment.
- Children will be sent home or should be kept home for the following: fever, vomiting, severe cough or sore throat, rash, discharge from eye or eyes, excessive lethargy, irritability or symptoms which could indicate any illness that threatens the health of the other campers.

Summer Camp Policy

Behavior Management

Our goal is to guide children's behavior by teaching positive techniques, responsibility, self-control and promoting a positive self-image. We reserve the right to take disciplinary action, up to and including expulsion, based on what it deems to be appropriate in any given situation. The policies listed here are not all-inclusive.

In the event that behavior requires behavior management action:

- Staff will not damage the child's self-image or embarrass the child.
- Staff actions will help children learn self-control, choose alternatives and develop an understanding and respect for others feelings.
- Staff will communicate regularly with families regarding behavior concerns.
- Every effort will be made to enlist the cooperation of the child and parents.

Behavior Management continued -

Immediate Suspension or Expulsion may result if one of the following occurs

- Harming another child or staff member, either physically or verbally
- Stealing
- Damaging others property
- Using foul language
- Unruly or disruptive behavior that is unable to be controlled

If you cannot be reached, we will call your emergency contacts. Someone will need to come right away should we need to suspend a child.
